Tentative Transfer Economics Roadmap

**Students must meet with their advisor prior to registering for courses. This roadmap is designed for general planning ONLY! Roadmaps for more than 5 years plan may vary please consult with your department.

A Transfer student must come in with 60 units and Math 226 completed by Fall of Junior year. If the student transfers without Math 226, it is highly recommended that they complete Math 226 in the summer before starting at SF State. This roadmap can be completed in 150 units. With Math 226, it will require 153 units.
