Culminating Experience Procedures

Instructions for Completing Proposal for Culminating Experience (PCE)

Forms on PAGE 3 and 4 must be typed, and the original document with original signatures must be submitted to the Division of Graduate Studies.

The culminating experience must be met by the satisfactory completion of a thesis, dissertation, special project, comprehensive examination, and/or an oral defense of the work (courses: 890, 892, 893, 894, 895, 896EXM, 898, 998).

Steps to Completion:

Submit your Proposal for Culminating Experience (PCE) to GradStop (ADM 250) by the deadline a semester before registering for your culminating experience course. The deadlines are *April 1 (or closest working day) for enrollment in the following fall semester or November 1 (or closest working day) for enrollment the following spring semester.*

Your PCE must be approved by your Culminating Experience Committee and the Department Chair or Graduate Coordinator for your program.

Selection of Culminating Experience Committee:

The committee must consist of a minimum of two members. Some programs require a third member. The chair and the second member of your committee must hold tenured/tenure-track faculty appointments in your major department.

In circumstances where special expertise is available in another department, the graduate dean may authorize a designated tenured/tenure-track faculty member from a related department to serve as the second reader.

The third member of a committee may be a lecturer or from outside the major department or university. Lectures or readers outside the university must have a current curriculum vitae on file in the Division of Graduate Studies.

With special permission from the Dean of Graduate Studies, some long-term lecturers with terminal degrees in their field or with special expertise may serve as the second reviewer provided their curriculum vitae is on file in the Division of Graduate Studies.

To officially change the composition of your committee, you must submit a Petition for Committee Revision to GradStop (ADM 250).

Research Involving Humans, Vertebrate Animals or Biological Specimens:

If your project includes research with humans, vertebrate animals, or biological specimens (e.g., tissues, stem cells/cell lines, blood), additional documentation is required. Refer to Section 8 of the PCE form.

If you are unsure if your project involves human subjects, submit an Application for Determination of Exemption to HAP at <https://research.sfsu.edu/content/application-determination-exemption>.

For more information, visit the website of the Office of Research and Sponsored Programs - Human and Animal Protections (ORSP-HAP) at <http://research.sfsu.edu/protocol/>.

IMPORTANT: You may NOT begin your research until you obtain an official notice of Approval, Exception or Exemption from ORSP-HAP.

Registration and Grading for Culminating Experience Courses:

Registration for a Culminating Experience course will not be permitted until your Advancement to Candidacy (ATC) and Proposal for Culminating Experience (PCE) are approved by the Division of Graduate Studies. You must have a 3.0 GPA in all post-baccalaureate course work completed.

Important Notes:

If you do not complete the course by the end of the semester of registration and receive a grade of RP (Report in Progress), do not register for the course again. When the project is completed, be sure that your committee chair files a grade change to CR (Credit) with the Registrar's Office.

A Report of Completion must be filed for internships, field studies, or creative work projects. A Thesis/Dissertation Receipt signed by Graduate Studies is required for thesis, dissertation or written creative work.

Students must adhere to the Continuous Enrollment Policy as stated in the bulletin. After the semester of enrollment in the Culminating Experience and the subsequent (grace period) semester, all graduate students are required to maintain continuous enrollment through the College of Extended Learning (CEL) or a degree-related course in their field while completing the culminating experience.
