

Advancement to Candidacy (ATC) Form

Instructions for Completing ATC Form

Form Begins on Page 2 (FORM MUST BE TYPED)

After completion of 18 units and prior to the semester of enrolling in your Culminating Experience course you must submit your ATC form.

The ATC form acts as a contract between you, your department, and the university. It lists the specific requirements you must complete before your degree can be awarded. The ATC is a permanent record of your completed and planned course work as well as other requirements necessary for you to complete your degree. Once the ATC is approved, you are advanced to candidacy and classified standing. The ATC form must be approved by Graduate Studies before enrolling in and beginning research for the culminating experience course.
