

38TH ANNUAL CSU STUDENT RESEARCH COMPETITION FEB 26TH - MARCH 1ST

Inviting all SF State students to participate in the Annual CSU Research Competition

This spring, the Division of Graduate Studies at San Francisco State will host our campus-wide Research Competition in-person from Feb 26th to March 1st, 2024. The Student Research Competition provides an opportunity for both graduate and undergraduate students to present their outstanding research projects and creative works in a formal academic competition. Campus winners will advance to the CSU wide level of the competition, which is held at Cal Poly San Luis Obispo on April 26th and 27th.

Open to current CSU undergrad and grad students, as well as recent graduates. First-place winners in each category will receive cash rewards.

CATEGORIES:

Behavioral, Social Sciences, and Public Administration

Health, Nutrition and Clinical Sciences

Biological and Agricultural Sciences

Humanities and Letters

Business, Economics, and Hospitality Management

Physical and Mathematical Sciences

Creative Arts and Design
