Culminating Experience Procedures

Instructions for Completing Culminating Experience Proposal

Form on PAGE 3 must be typed.

The culminating experience must be met by the satisfactory completion of a thesis, special project, comprehensive examination, and/or an oral defense of the work (courses: 890, 892, 893, 894, 895, 898, 998).

Steps to Completion:

Submit your Culminating Experience Proposal to GradStop (ADM 250) by the deadline a semester prior to registering in your culminating experience course.

Your Culminating Experience Proposal must be approved by your Culminating Experience Committee. When research involves human or animal subjects, approval of the Institutional Review Board (IRB) or University Animal Care and Use Committee (UACUC) is required. The website for the Office of Research and Sponsored Programs - Human and Animal Protections is <http://research.sfsu.edu/protocol/>.

Selection of Culminating Experience Committee:

The committee must consist of a minimum of two and a maximum of five members. The chair and the second member of your committee must hold tenured/tenure-track faculty appointments in your major department.

In circumstances where special expertise is available in another department, the graduate dean may authorize a designated tenured/tenure-track faculty member from a related department to serve as second reader.

With special permission, some long-term lecturers with terminal degrees in their field or with special expertise may serve as the second reviewer provided their curriculum vitae is on file in the Division of Graduate Studies.

The third member of a committee may be a lecturer or from outside the major department or university. Lectures or readers outside the university must have current curriculum vitae on file in the Division of Graduate Studies.

To officially change the composition of your committee, you must submit a Petition for Committee Revision to GradStop (ADM 250).

Registration and Grading for Culminating Experience Courses:

You must have an approved Advancement to Candidacy (ATC) form and Proposal for Culminating Experience on file in the Division of Graduate Studies. Registration in a Culminating Experience course will not be permitted until your Advancement to Candidacy (ATC) form and Proposal for Culminating Experience are approved in the Division of Graduate Studies.

You must have a 3.0 GPA in all post-baccalaureate course work completed.

Important Notes:

If you do not complete the course by the end of the semester of registration you will receive a grade of RP (Report in Progress). Do not register for the course again. When the project is completed, be sure that your committee chair files a grade change to CR (Credit) with the Registrar's Office.

A Report of Completion must be filed for internships, field studies, or creative work projects. A Thesis Receipt signed by Graduate Studies is required for thesis or written creative work.

Students admitted or re-admitted to a Graduate Program in Fall 2008 or later must adhere to the Continuous Enrollment Policy as stated in the bulletin. After the semester of enrollment in the Culminating Experience and the subsequent (grace period) semester, all graduate students are required to maintain continuous enrollment through the College of Extended Learning (CEL) until the degree is earned.
