

GRADUATE RESEARCH & CREATIVE WORKS SHOWCASE

Wednesday April 16th | 2-5PM | Jack Adams Hall

The Graduate Research and Creative Works Showcase is an annual exhibition of the diverse research of SF State's innovative and talented students and an excellent opportunity for students to share their work with the broader academic community.

This event provides an excellent opportunity for students to share their work with the broader academic community and build their resume or curriculum vitae.

Registered graduate students will have a chance to win prizes!
