

Department of Computer Science

The Department of Computer Science offers a two-year Master's degree program in Computer Science. Located in close proximity to Silicon Valley and San Francisco's tech hub, students have unique opportunities for internships and jobs with major tech companies as well as small startups. Our primary goal is to prepare students for careers in the computer industry as well as Ph.D. programs. In addition to the MS degree, we offer several certificates with different focuses in cutting edge areas such as:

Software Engineering

Cybersecurity

Text Analysis

AI Ethics

In Fall 2021 we plan to offer a new Master's Degree program in Data Science and Artificial Intelligence. Our faculty are active in research while committed to teaching. Our department has several active student organizations that organize social and career events. For more information email csggrad@sfsu.edu.
